Just tap the App

The NHS App is a simple and secure way to access a range of NHS services and information on your smartphone or tablet.

Lots of people are already using the NHS App to manage their health.

The NHS App makes it easier to access NHS services and information – including viewing your appointments, checking your test results and ordering repeat prescriptions.

Start using the App today. Just tap the App.

For more information, including how to download the NHS App, visit: **nhs.uk/nhsapp**
